Dear Jeff

Thank you for sending Robert and Darren to paint the exterior of our home. They have done an excellent job in very difficult weather conditions for which we are very grateful. We have appreciated their communication and advice regarding the work at hand and the manner in which they have carried out that work.

I am enclosing cheque for the balance due, namely \$9,975.00 and will gladly recommend your firm to our friends and contacts.

Wishing you and your employees all the best for the future.

Yours sincerely
